

RESCUING AT RISK CATS AND DOGS IN SOUTHERN CALIFORNIA SINCE 1992

FUR FOLK OF THE MONTH - BRUNO!

For every pet cherished in a secure home, one hundred more roam homeless, hungry and frightened until they succumb to malnutrition, disease, speeding vehicles or worse fates. A lucky few are rescued by caring humans who work at what can be lonesome, stressful job.

C.A.R.E. was born in 1992 when a few such people came together to help homeless animals and their human rescuers.

This is Bruno with C.A.R.E.'s "dog man", Andy. Bruno was left tied to the front gate of the Sanctuary with no information. We can only guess at his breeds - probably Boxer and maybe Great Dane or Bull Mastiff; same for his age - we guess around 5 years. What we do know is that he is a big lovable lug and gets along well with his room mate, Lucero, a sweet pit bull. He weighs in at about 90 pounds and when he decides to stand on his hind legs to give you a smooch, well, yeah, he sure can!
