CARE 1

Dear Supporter:

Once again, C.A.R.E. thanks you so much on behalf of all of the orphaned dogs and cats who call our sanctuary home. *Your very generous donations have made it possible for us to continue to rehabilitate, rescue, shelter and find homes for abandoned, handicapped, and homeless animals who otherwise would have no chance.* In the work we do, we are so often dispirited by human lack of compassion and dedication to their pets. But, then, we are lifted back up and inspired when we think of all the other humans like you who feel the same way we do - **that animals are precious and wonderful gifts to be treasured and cared for.** We call them “angels among us.”

Since 1992, with your support CARE has helped these “angels”, but we all have the terrible awareness that thousands more are being killed every day. The public animal shelters are full due to these rough economic times. Also, so many people, even if they believe in and are aware of the need to spay and neuter, procrastinate until the inevitable happens, nature takes its course and another lot of puppies or kitties are born. Then, they go into “denial mode” – “Oh, we’ll just take them to the shelter where they’ll find good homes!” *The grim reality is that many of these pets are euthanized the first day they arrive in the “pound” to make room for the next homeless dog or cat.*

Our sanctuary proves that with love, determination, hard work and money we can save lives. We are very active working to save, improve lives and educate, but it seems as soon as we find a wonderful home for one little fur kid, ten more show up who desperately need us to save their lives. **That is why we are reaching out to you, our supporters and kindred spirits, for assistance.**

These last few years have been harder than ever for charitable organizations including CARE; everyone is suffering so much financially and our donations are gravely diminished. **Unfortunately, the tragedies go on.** Some make the front pages and many people are eager to provide wonderful, loving homes. But for each cat or dog whose story is known, 100’s more have stories just as bad and are just as deserving. *And that is where sanctuary’s such as C.A.R.E.’s comes in.*

**Right now, we need help to continue helping them.** Your donations enable us to keep on helping all the wonderful dog and cats who need care so urgently; both those already living at the sanctuary as well as the many newly orphaned pets who come our way. You can be sure that your donations will be solely dedicated to saving animals. We want to thank you again for your incredible love and support for the ones without a voice and for lifting us up when the chips are way down. **Please, please continue your great generosity and help us help them to have a safe tomorrow!**

Thank you for caring,

Joanna Patrice -Outreach Director

Hi, I'm Barney. I had another name, but Barney is the name my rescuers have given me. I'm 12 + years old. A while ago I was **PUSHED OUT OF A CAR** on a street corner. Abandoned, even so, I refused to leave. I watched the traffic and waited and waited for a car that would never return. A caring human finally led me away to safety. Now I call C.A.R.E. home sweet home! Safe, loved and happy at last! **Thank you, for supporting C.A.R.E. and helping guys like me to have safe home-sweet-home!**

Andy, a young C.A.R.E volunteer with beautiful, sweet Jean - once homeless - now safe, loved and happy!

Supported entirely by donations from individuals and foundations, C.A.R.E. maintains a no-kill, cage-free “Home Sweet Home” for 200 plus homeless cats & dogs in a rural area north of Los Angeles. The C.A.R.E. sanctuary is licensed by the County, proudly earning “A” ratings at every inspection! We are committed to saving the lives of homeless dogs and cats by rescuing at-risk animals, placing adoptable pets in homes of their own, and caring for those awaiting adoption (even those considered “unadoptable”), for the rest of their lives if need be. The C.A.R.E. sanctuary demonstrates that is possible to provide a comfortable and loving home for groups of “unwanted” or “surplus” animals who otherwise would have, at best, an uncertain future. By supporting C.A.R.E., you are not only helping many wonderful animals, you are also standing up for the idea that animals do matter, and that they deserve loving care!
