Dear friends:

Here we are again in another hot Southern California summer. The kids are ready for summer vacation with not a care in world; many of us are planning our much deserved vacations. **And C.A.R.E. keeps on keeping on.**

C.A.R.E. has come a long way since 1992. You and we have protected thousands of dogs and cats from abuse, neglect and starvation. We've found loving homes for many and provide a safe and loving place – the C.A.R.E. Sanctuary - for those who cannot have a home of their own for various reasons.

*Now our mission is in jeopardy; we need your help to survive.* As you are only too well aware, the economy is still terrible, especially for non-profit organizations like C.A.R.E. Unfortunately, many of our wonderful supporters including some of our major grantors are also suffering from this recession. This has resulted in much smaller donations and in some cases, no grants at all for 2010. **Our mission in jeopardy; the 200+ lives of the little ones who call our sanctuary home are in jeopardy, as well as the many, many more we would not be able to help in the future.**

*CARE recognizes that you share with us a respect and love for the other beings of this world.* Our prayer is that these hard times are coming to an end very soon; that we all may have a chance to thrive again. But, for now, we are sending this special plea for support to all friends of the animals and of C.A.R.E. **Please be very generous and help us survive these terrible economic times.**

As always, we thank you from our bottom of our hearts and our 200+ rescued pets thank you for your continuing generosity. You are the only ones who can make it possible for C.A.R.E. to have a tomorrow. **Only with your help can we keep on helping the little ones without a voice.**

Thank you for caring,

Joanna Patrice  
Outreach Director

Nelson one of our feral kitties thanks you for your support and for giving him a safe place and a chance for the good life!

Please take a moment to see a few of the cats and dogs you are helping with your donations. You can sponsor one or more rescued animals each month, or simply donate in support of general sanctuary operations including veterinary care. ***Please give today so our mission can go on and tomorrow we can help other wonderful cats and dogs who desperately need our help.***

Spook is enjoying some freshly cut grass, something every cat should have access to.

Supported entirely by donations from individuals and foundations, C.A.R.E. maintains a no-kill, cage-free “Home Sweet Home” for 200 plus homeless cats & dogs in a rural area north of Los Angeles. The C.A.R.E. sanctuary is licensed by the County, proudly earning “A” ratings at every inspection! We are committed to saving the lives of homeless dogs and cats by rescuing at-risk animals, placing adoptable pets in homes of their own, and caring for those awaiting adoption (even those considered “unadoptable”), for the rest of their lives if need be. The C.A.R.E. sanctuary demonstrates that is possible to provide a comfortable and loving home for groups of “unwanted” or “surplus” animals who otherwise would have, at best, an uncertain future. By supporting C.A.R.E., you are not only helping many wonderful animals, you are also standing up for the idea that animals do matter, and that they deserve loving care!
