CARE 1

Dear Supporters:

We are overwhelmed with gratitude for your past generous support, but now we are asking for help during a very challenging time for C.A.R.E. ***You are truly a friend of C.A.R.E. and to the animals living at our sanctuary and we are sure you would want to know if you can do something special for them.***

*We are having problems finding food donations for our little guys.* An unexpected aspect of the ongoing economic crisis is a shortage of pet food donations. Normally, donated food covers 70% to 80% of our pet food needs, with the majority coming from pet food manufacturers and pet store retailers. Unfortunately, they are feeling the rough times too, so some had to stop donating food altogether and others have diminished their donations considerably. *Now we find ourselves spending more money than ever on food- an unanticipated expense.* **We really don't have any "fat" to cut, since our sanctuary provides food, shelter, veterinary care and love for abandoned, abused, neglected homeless animals.** *The fact is we need help now!*

You have proven time and again to be a friend to C.A.R.E. *We sincerely hope that you can help us now with a generous donation.* It would mean so very much to the homeless dogs and cats served by our sanctuary. **After all, mealtime is one of the happiest times of their day!** *We can only survive with your help, commitment, generosity and the willingness to stand by C.A.R.E.,* so that we can have a future and survive until better tomorrows. The right support to the right people at the right time can change the world. I hope you will see that C.A.R.E. is the right group, *and now is the right time!*

**Please help our rescued dogs and cats have the happiest time of the day - SUPPER TIME!!!!**

Thank you from the bottom of our hearts.

Joanna Patrice -Outreach Director

Kassy, a young C.A.R.E volunteer with beautiful, sweet Irwin, "the kissing fool"– who is now safe, loved and happy... because of your support. Thank you!!!

Supported entirely by donations from individuals and foundations, C.A.R.E. maintains a no-kill, cage-free "Home Sweet Home" for 300 plus homeless cats & dogs in a rural area north of Los Angeles. The C.A.R.E. sanctuary is licensed by the County, proudly earning "A" ratings at every inspection! We are committed to saving the lives of homeless dogs and cats by rescuing at-risk animals, placing adoptable pets in homes of their own, and caring for those awaiting adoption (even those considered "unadoptable"), for the rest of their lives if need be. The C.A.R.E. sanctuary demonstrates that is possible to provide a comfortable and loving home for groups of "unwanted" or "surplus" animals who otherwise would have, at best, an uncertain future. By supporting C.A.R.E., you are not only helping many wonderful animals, you are also standing up for the idea that animals do matter, and that they deserve loving care!
