Kindness and respect for all beings has no boundaries—visiting from Switzerland, David and Rebecca spend the day at the C.A.R.E. sanctuary sharing some sweet love and kindness with our rescued pets!

Dear Friends:

As always C.A.R.E. is so grateful for your support and friendship. **We could not do it without you!**

Your generosity makes it possible for us to provide a great quality of life for the homeless cats and dogs living in our sanctuary. Every donation is applied directly to the rescue and on-going care of abandoned cats and dogs who are totally dependent on the kindness of people like you!

Your financial and moral support makes it possible for C.A.R.E. to positively intervene in the lives of the innocents: orphaned animals, *literally at the front lines of the battle between compassion and cruelty*. Even more, by helping us cover the costs of our veterinary and operating expenses, you are providing the means to make the critical **difference between simple survival and a truly happy life** for our little guys and the only safe home many of these wonderful animals ever had!

Together we build and achieve mutual dreams of making our world a better place for the truly innocent, for those who have neither vote nor voice.

With your support, together we are creating a small, bright spark of hope that will eventually light up a truly humane path the world over. **Thank you for being one of those who helps make us not just the "human race", but the "humane race"!**

Thank you for caring,

Joanna Patrice - Outreach Director

Some of our beautiful kitties in the “small house” enjoying a quiet safe day (just the way cats like them!), thanks to you and your support!

Supported entirely by donations from individuals and foundations, C.A.R.E. maintains a no-kill, cage-free “Home Sweet Home” for 300 plus homeless cats & dogs in a rural area north of Los Angeles. The C.A.R.E. sanctuary is licensed by the County, proudly earning “A” ratings at every inspection! We are committed to saving the lives of homeless dogs and cats by rescuing at-risk animals, placing adoptable pets in homes of their own, and caring for those awaiting adoption (even those considered “unadoptable”), for the rest of their lives if need be. The C.A.R.E. sanctuary demonstrates that it is possible to provide a comfortable and loving home for groups of “unwanted” or “surplus” animals who otherwise would have, at best, an uncertain future. By supporting C.A.R.E., you are not only helping many wonderful animals, you are also standing up for the idea that animals do matter, and that they deserve loving care!

Beautiful Rebecca with our new face of the desert. Oliver was “dumped” in the desert and found by a kind soul walking her dog. Oliver huddled in an old tire to keep safe from the desert predators. Now he is safe and happy with a friend to play with. He is a very young puppy that enjoys playing, attention, and of course, lots of love and kindness from our staff and volunteers. **Please give generously so we can continue saving others like this sweet little guy; so they can have a place to call home free from abuse, neglect and starvation!**
