Dear Supporters:

We never thought a pipeline in a patch of dirt could look so beautiful! The photo may not look like much, but to us, it's a thrilling sight. It marks the beginning of the actual construction of our new facility. Many CARE supporters know about the multitude of permits, approvals and government agencies that have had a hand in our plans for a new shelter. The endless series of revisions and delays stalled our dream of a new home for our dogs and cats for a very long time.

Until now, our vision has been on paper only. *This is why we are overjoyed to see the actual construction begin—and why the pipe in the dirt looks so wonderful to our eyes.* Once the water and sewage lines are laid, the next phase will be compacting the earth where the foundations for the new buildings are going to be built, to comply with soil density standards. We know we will be just as thrilled when we see the heavy equipment rolling thru our property. CARE's new housing is finally becoming a reality.

**Thanks to all of you for helping to make this dream come true, you are part of this dream as much as we are.** We cannot do it without your support and generosity. Your generosity has made a difference in the lives of so many homeless cats and dogs, and your continued support will allow us to carry on our mission of saving innocent lives!!! **Remember that every donation makes a difference, regardless of size; no amount is too small.**

Thank you for your friendship and kindness!

CARE 2

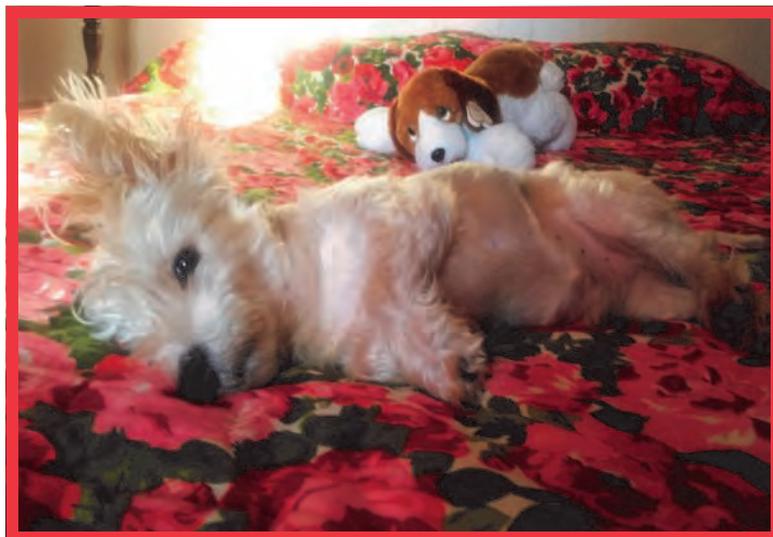

Here are some of the wonderful dogs and cats that call C.A.R.E. home. Please HELP us make their lives even more comfortable. *You are the ones who make it all happen.* The little guys in this issue and many more at C.A.R.E. are looking for forever homes! Maybe it might be yours!!! Please donate so our mission can go on and we can keep on rescuing those at risk - the voiceless ones in jeopardy, the ones without a place to call home! We cannot do it without your HELP and KINDNESS!!

Look at these little cuties. Don't they look so adorable? These beauties have come a long way since the day they were rescued with their mother from a very bad situation. They are all growing up now. They are about 5 months old and **looking for forever loving homes!!!** The center is Helga, left is Harry, back is Hera, right is Heidi and there is other hiding, can you see her?

This beautiful girl was rescued from the high desert. She is about 3 months old. We are calling her Miley and she is one of the many dogs C.A.R.E. has rescued from our rural area. Unfortunately, some heartless people continue to abandon animals where they have no hope of surviving. Miley is safe now and soon she will be available for adoption. This little beauty is very playful and so sweet!! **Please donate to help with the care of this sweet innocent little girl and the 300+ cats and dogs that call the C.A.R.E. sanctuary home!!**

**Little Bruno thanks you for helping C.A.R.E. so he can be safe!!!**

This very relaxed little boy is Little Bruno. This little soul was rescued from the streets by a young boy. The young rescuer could not keep him so CARE stepped in to help the dog and the boy. The dog's fur was so matted we could not at first tell if he was male or female. C.A.R.E. took this poor soul to the vet ASAP and had him shaved and a complete physical done. This poor dog had suffered from severe neglect. In addition to his dirty and horribly matted fur, our vet discovered that his teeth were in such bad shape that 12 extractions were required. It's no wonder this brave little guy had so much trouble eating. Little Bruno had another infection from a wound, and we are happy to report that he has healed completely. He is afraid of other dogs, and is shy around people until he gets to know you. Then his gentle, loving spirit shines thru. Our vet believes this determined little senior is about 12 years old.

Supported entirely by donations from individuals and foundations, C.A.R.E. maintains a no-kill, cage-free “Home Sweet Home” for 300 plus homeless cats & dogs in a rural area north of Los Angeles. The C.A.R.E. sanctuary is licensed by the County, proudly earning “A” ratings at every inspection! We are committed to saving the lives of homeless dogs and cats by rescuing at-risk animals, placing adoptable pets in homes of their own, and caring for those awaiting adoption (even those considered “unadoptable”), for the rest of their lives if need be. The C.A.R.E. sanctuary demonstrates that is possible to provide a comfortable and loving home for groups of “unwanted” or “surplus” animals who otherwise would have, at best, an uncertain future. By supporting C.A.R.E., you are not only helping many wonderful animals, you are also standing up for the idea that animals do matter, and that they deserve loving care!
