Sweet Freddy is looking for a forever loving home. He is very friendly, loves people and other dogs.

Dear Friends:

Spring is the season of rebirth, rejuvenation, renewal and regrowth. This is what we are hoping for C.A.R.E. and for all of us this springtime. As you all know, for the last 3 years we have been waiting for all the permits to be issued so we could be able to start the construction of the new cats and dogs housings. It has been a rollercoaster. It seems that every time we took a step forward, we would take two steps backwards--excited and hopeful one minute, disappointed and heartbroken the next. Working with the County of Los Angeles Building and Safety Department is complex and daunting. Then we include the fire department, architects, engineers, contractors and many others—they all have to agree with each other. Despite the frustrations and setbacks, we are determined to succeed, all for the benefit of the dogs and cats at C.A.R.E.

We are now getting close to our goal. The Fire Department permits have been issued and the new fire hydrant and water meter have been installed. Also the new perimeter fencing of vacant land is being put up now. We are hoping to start the excavation in a few weeks; we have to excavate down 8-9 feet and then compress the dirt to be able to pour the cement for the slabs of the buildings. We are so excited to finally see the beginning of the buildings going up, and to see our dreams starting to come true. Our dreams and yours--after all you are as much part of this dream as we are. Together we are making this a reality and a better place for the 300+ cats and dogs that call C.A.R.E. home sweet home, and for the thousands that we will be helping in the years to come.

But nothing can be accomplished without YOU and YOUR generosity. C.A.R.E is so grateful for your friendship and support through the years, and we hope you continue to support us now. We are almost there. Please HELP us get there. No amount is too small. Every donation makes a difference, and together we can achieve our dream of a spacious new home for our dogs and cats. You can be proud of what you are helping to create for present and future generations of needy animals-- the ones without a voice, the ones without a choice. We are their voice and their hope for survival; they are counting on our help and kindness.

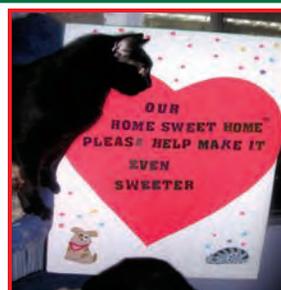

Thank you,

Maria Porter

CARE 2

Look at this poor soul; she was DUMPED somewhere on Highway 138, the road to Las Vegas and left there to die. We believe she is a Doberman Pinscher, about 1 - 2 years old. The way she looked she had been in desert for some time, poor girl. She arrived at the C.A.R.E. sanctuary after being rescued by a Good Samaritan. We kept her comfortable for the night. The next day we took her straight to the vet where

she stayed for almost 2 weeks to restore her health. This poor girl had a long road to recovery, but recover she did and today she is healthy and a very beautiful girl. We are calling her Hope. Look at beautiful Hope now; she gained 45 pounds and is looking great. This beauty is now ready for a forever loving home. Please HELP us so we can KEEP on rescuing the ones in at risk, others like Hope.

We are their hope, but we cannot do this without YOU and your GENEROSITY!!! They thank you; we thank you for your kindness, support and friendship!!!

Sweet Lucero looking so adorable for Easter and hoping the Easter bunny will bring her a forever loving home! She is so grateful to be safe, thanks to your support!!

Supported entirely by donations from individuals and foundations, C.A.R.E. maintains a no-kill, cage-free “Home Sweet Home” for 300 plus homeless cats & dogs in a rural area north of Los Angeles. The C.A.R.E. sanctuary is licensed by the County, proudly earning “A” ratings at every inspection! We are committed to saving the lives of homeless dogs and cats by rescuing at-risk animals, placing adoptable pets in homes of their own, and caring for those awaiting adoption (even those considered “unadoptable”), for the rest of their lives if need be. The C.A.R.E. sanctuary demonstrates that is possible to provide a comfortable and loving home for groups of “unwanted” or “surplus” animals who otherwise would have, at best, an uncertain future. By supporting C.A.R.E., you are not only helping many wonderful animals, you are also standing up for the idea that animals do matter, and that they deserve loving care!

Beautiful kitties just enjoying life, thanks to you and your support!!!
