2. SOME OF OUR RESCUED PETS YOU HAVE HELPED SAVE WITH YOUR DONATIONS

Dear Supporters:

Spring is here once again. We find springtime a very beautiful season. It is a season of hope, new beginnings; the Earth is replenishing herself with new life. The blooming of the beautiful cherry blossoms brings a smile to one's face.

Our hope and prayers for this Spring were for the end of the pandemic. Even though the future is looking brighter and brighter every day, we still have a long way to go. However, it is very hard to feel happy these days with what is going on around the world with so much destruction and pain. Our heart, prayers and tears go out to all the people and the animals in Ukraine; so much death of so many innocents -children, women, men and the animals left behind.

We at CARE understand times are very rough right now for everybody. We are humbly asking; if you are in a position to help our rescued pets, please send a gift of love today. **We hope that we can count on you to support our and YOUR cause in these difficult times.** No amount is too small; everything helps.

CARE is keeping on rescuing animals-at-risk as space and monetary resources permit; the work of a rescuer never ends and we need your help more than ever. **Can we count on YOU!?**

Life is so unpredictable and unexpected things can happen (and will!) Please make plans for your beloved pets just in case!

We all at CARE hope you stay safe and well!

Thank you,

Maria Porter

CARE 2

Here are some of the beautiful dogs and cats your support has given a second chance at life. Please give today so we can keep the cats and dogs in our sanctuary safe and well cared for, and to save more lives; their survival depends on us! **Our future, their future, depends on your generosity and kindness! The animals in this issue and many more at the CARE sanctuary are looking for homes of their own! We and them need YOU! Cannot do without YOU!!**

These 5 beauties were rescued from the shelter after their rescuer, Sue, was killed by a drunk driver. Then they were left at a kill-shelter by her family. When they came to us, all had health issues. After vet care and lots of love, they're getting healthier. Bonita is still under vet care, but she is getting better every day. Little Muffin and Coco (her mom) have been adopted together to the best home. Thanks to many rescuers, all Sue's cats are safe. RIP Sue; your little ones are safe and well cared for!

These beauties and the many more at the CARE sanctuary are hoping you send a gift of LOVE!

Supported entirely by donations from individuals and foundations, CARE maintains a no-kill, cage-free “Home Sweet Home” for 300 plus homeless cats & dogs in a rural area north of Los Angeles. The CARE sanctuary is licensed by the County, proudly earning “A” ratings at every inspection! We are committed to saving the lives of homeless dogs and cats by rescuing at-risk animals, placing adoptable pets in homes of their own, and caring for those awaiting adoption (even those considered “unadoptable”), for the rest of their lives if need be. The CARE sanctuary demonstrates that it is possible to provide a comfortable and loving home for groups of “unwanted” or “surplus” animals who otherwise would have, at best, an uncertain future. By supporting CARE, you are not only helping many wonderful animals, you are also standing up for the idea that animals do matter, and that they deserve loving care!

Please donate to CARE, ONLY with YOUR help we can HELP the innocents with a loving place to call HOME!!

These sweet seniors are Pebbles and Logan. They were “owner” surrender, how sad and heartbreaking. Now they are safe receiving vet care and a lot of love from all of us at CARE!
