IN THIS ISSUE

1. DEAR FRIENDS
2. SOME OF OUR RESCUED PETS WHO YOUR DONATIONS HAVE SAVED

Dear Friends:

As we stride into the blossoming days of spring, our sanctuary is filled with love, warmth and joy, thanks to YOU. **Your generosity has HELPED us survive 2023 and enabled us to provide a loving place for countless furry friends**, where they receive the medical care and attention they deserve. The wagging tails and gentle purrs that resonate through our humble sanctuary are a testament to the positive impact your kindness has on the lives of our beloved residents. Our rescued pets are family; they are unique, especial and they deserve to be treated with understanding, kindness and respect.

Among the rays of hope, we find ourselves faced with an urgent plea. Our shelves are growing increasingly bare, echoing the many during these challenging times. The demand for pet food and essential supplies has soared, while donations have diminished. Despite our tireless efforts, we fear that without your support, we may struggle to provide for those who rely on us most. The completion of our two new buildings is uncertain, waiting to extend a welcoming embrace to even more animals in need. Despite the many challenges in the past years, our spirit and mission remain unbroken. Will you HELP us in our journey? Please make a gift now to help our residents and to give us the means to rescue more greatly in need of our help. **Together, we can save even more in 2024!**

It sure makes us so very upset that so many cats and dogs are abandoned close to our sanctuary. The desert around our place is a dumping ground for countless pets. The poor souls are all alone, scared and betrayed by the people who were supposed to love and keep them safe! The lucky ones we are able to help have a chance for a better future. We could save even more if we could complete the construction of our new buildings but in the mean time, we are doing our best to save as many as we can.

We promise to all our little rescues that they will be safe, loved and never again have to feel unwanted, afraid, alone, hungry or unloved. **Would YOU help us keep our promise to these innocent souls?** We cannot do this without your help and compassion.

Thank you,

Maria Porter

Supported entirely by donations from individuals and foundations, CARE maintains a no-kill, cage-free "Home Sweet Home" for 300 plus homeless cats & dogs in a rural area north of Los Angeles. The CARE sanctuary is licensed by the County, proudly earning "A" ratings at every inspection! We are committed to saving the lives of homeless dogs and cats by rescuing at-risk animals, placing adoptable pets in homes of their own, and caring for those awaiting adoption (even those considered "unadoptable"), for the rest of their lives if need be. The CARE sanctuary demonstrates that is possible to provide a comfortable and loving home for groups of "unwanted" or "surplus" animals who otherwise would have, at best, an uncertain future. By supporting CARE, you are not only helping many wonderful animals, you are also standing up for the idea that animals do matter, and that they deserve loving care!

Please donate to CARE, ONLY with YOUR help we can HELP the innocents with a loving place to call HOME!!
