

When the World Grows Colder, They Need Your Warmth!

Toby is a **tiny 10-pound sweetheart** with a big personality and an even bigger heart. This little boy is **playful, friendly, and full of joy**, always ready to wag his tail, explore, and snuggle close when he wants affection. He's gentle, social, and absolutely adorable — the kind of pup who makes everyone smile the moment they meet him. Now Toby is hoping for the one thing he's never truly had: a **loving home of his own**. If you're looking for a small, sweet companion who will brighten your days, Toby is ready to be your little shadow and your loyal friend. **Help Us Help Them! Only with your generosity we can survive!**

IN THIS ISSUE

1. DEAR FRIENDS
2. SOME OF OUR RESCUED PETS

Dear Friends of CARE Sanctuary,

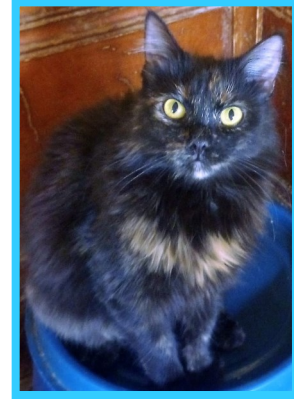

As autumn settles over Littlerock and the desert winds turn crisp, our sanctuary fills with animals who arrive carrying quiet heartbreak. Some come trembling. Some come hungry. Some come simply hoping that someone, somewhere, will finally choose them.

This fall, we are caring for more seniors, more medical-needs animals, and more frightened newcomers — including the ones featured in this issue and the many more resting safely at our sanctuary. Our food shelves are thinning. Our medical fund is stretched. Our blankets and bedding are being used faster than we can replace them. **Every day, we choose love — but love alone cannot buy food, medicine, or warmth.**

This is where your compassion becomes life-changing.

Your gift today helps us:

- Keep Toby and 300+ animals warm through the cold months
- Provide medical care for seniors and fragile rescues
- Refill our food shelves for dogs and cats who arrive hungry
- Offer safety, comfort, and hope to animals who have endured far too much

The gentle spirit of every rescued pet reminds us why we do this work. They are the reason we open our doors, the reason we fight for every life, **and the reason we ask for help when the need grows too heavy to carry alone.** Please **make a donation today** to help our residents stay safe, warm, and loved this fall.

Your kindness is their comfort. Your generosity is their second chance. Your heart is the reason they survive the cold ahead.

With heartfelt gratitude,

Maria Porter

In these challenging times, **we're stretching every dollar** to ensure our animals receive the care they deserve. To save on costs, **we're printing and surface mailing a few newsletters and emailing more if we have your email.** A small effort that helps us keep food bowls full and medical needs met. We remain hopeful because of you. Your compassion keeps us moving forward, even when resources are tight.

Supported entirely by the generosity of individuals and foundations, since 1998 CARE maintains a **no-kill, cage-free "Home Sweet Home"** for more than **300 homeless cats and dogs** in a rural area north of Los Angeles. Our sanctuary is fully **licensed by Los Angeles County** and has proudly earned **"A" ratings at every inspection.**

We are devoted to saving the lives of at-risk dogs and cats by rescuing vulnerable animals, placing adoptable pets into loving homes, and caring for those who may never be adopted — for **as long as they need us.** Many of our residents are seniors, special-needs pets, or animals once labeled "unadoptable." At CARE, they are cherished, protected, and given the chance to live with comfort, dignity, and love.

The CARE sanctuary proves that a humane alternative *is* possible. Animals who might otherwise face an uncertain or heartbreaking future can thrive in a safe, nurturing, and joyful environment. By supporting CARE, you are not only helping hundreds of wonderful cats and dogs — you are standing up for the belief that **animals matter**, and that every life deserves compassion, respect, and loving care.
